### **General Description**

(Updated 2/2016)

The James L. Knight International Center is a world-class multipurpose entertainment, meeting, and convention complex located in the heart of downtown Miami's business, commercial, and financial district. Owned by the City of Miami and managed by SMG, the center is comprised of the James L. Knight Center, the Miami Convention Center, Miami Conference Center and the Hyatt Regency Miami Hotel. The **James L. Knight Center** theater seats up to 5,000 for entertainment, meeting and general sessions; the **Miami Convention Center** contains 28,000 square feet of dividable exhibit, meeting and banquet space, the outdoor River Walk with dockage, Riverfront Promenade (Upper and Lower), and the Regency Corridor; the **Miami Conference Center** offers a 444 seat auditorium, a 117 seat lecture hall and 20 variable meeting rooms. The **Hyatt Regency Miami Hotel** features first class accommodations in 615 rooms and suites, award-winning restaurants, and an additional 34,000 square feet meeting space.

### **Location, Transportation, & Parking**

The complex is situated overlooking the Miami River at Brickell Avenue, just seven miles from Miami International Airport and two miles from the Port of Miami. Interstate 95 provides both north and southbound exits directly into the facility, as does the adjacent Knight Center Station that provides direct access to both the Downtown Metro mover and Miami-Dade County's Metro rail rapid transit system. Bus, limousine, shuttle and taxicab services are available curbside and yacht charter and water taxi service are available at our docks.

Ample parking is available adjacent to the James L. Knight International Center in the 1,450 space Knight Center/Miami Tower garage operated by Miami Parking Systems and is connected to the Center by an air conditioned, enclosed pedestrian walkway. An additional 600 spaces are readily accessible within two blocks. Valet parking is provided through the Hyatt Regency Miami Hotel and special event rate parking is also available upon prior arrangement with Miami Parking Systems.

### **Dining and Entertainment**

All food and beverage service at the James L. Knight International Center is provided by the Hyatt Regency Miami Hotel and will be prepared under the supervision of the hotel's award-winning culinary staff. Located off the main lobby are the River Walk Café, The Deli, and Pure Verde Lounge offering an enticing mix of choices for gourmet and casual dining in a tropical atmosphere.

## **OVERVIEW**

Regardless of the event type, chances are it has played the James L. Knight Center in one form or another. Whether hosting such diverse events as Summit of the Americas, Lady Gaga, World Championship Boxing, Miss Universe, Premios Lo Nuestro (Latin Music Awards), IBM's Annual Shareholder Meeting, Miguel Bose or Sting, the James L. Knight Center has repeatedly met and exceeded the requirements of the most demanding and unusual events.

### **Stage and Floor Dimensions**

Unlimited staging configurations are readily designed and constructed on site with 80 sections of 4' X 8' Stage-Right staging at 36" – 54" heights and 6' X 8' risers available in 16" and 24" heights. Additional staging requirements will be met upon request. Masking panels, steps, railings, restraint barricades and ramps are included and can be placed anywhere on the **16,000 sq. ft.** fan-shaped auditorium floor featuring a 100' radius.

### **Fly System**

The fly system consists of two separate line sets. The main system consists of 22 seventy-foot lines over the main stage utilizing independent electric winch drives overhead. The second system consists of 7 motorized lines up close to the permanent seating area. Height from the auditorium floor to the catwalk bottom is 35' with an additional 10' up to the grid. Maximum concentrate load that may be hung directly from the catwalk hanger is 6,000 pounds. Grid loading is 100 lbs. per sq. ft. Masking, legs, borders, travelers; a full main curtain and cyclorama are available.

### **Electric**

Power is 3,600 amps 3-phase 4 wires and split to 3 bull switches of 400 amp legs per switch.

### **Lighting**

The permanent house lighting system features forty (40) Par 64 lamps with dimmers, three (3) 1200 watt Lycian spotlights with assorted gels, and twenty (20) ETC Source Fours with ETC dimming rack and DF 50 diffusion hazer.

### **Sound**

The JLKC has a fully integrated state of the art sound system with turnkey capabilities. The system features EV line arrays with a YAMAHA PM5-DRH in FOH and MIDAS Heritage H3000 in Monitors control. For specification on pricing please refer to rate sheet and equipment list upon request.

### **Loading**

The Auditorium floor is easily accessible via a 10' X 10' X 22' (25' diagonal) freight elevator. The 22,000 lb., capacity unit can be accessed either directly at street level or at dock level inside the facility's enclosed and secure five (5) bay handling and logistics terminal.

### **Production Office**

The Production office is located directly behind stage left. Room size is 256 sq ft. and includes desk, and chairs.

### **Dressing Rooms**

Located one floor directly below backstage via passenger elevator, the dressing room facilities consist of 2 Star, 2 Chorus and 6 Standard rooms. All are equipped with electrical outlets, make-up counters, full mirrors, washbasins, toilet facilities, walk-in showers and hanging racks. Telephone and Internet activation is available upon prior notification.

### **Standard Auditorium Set-up**

- House lighting, ventilation, heat and air conditioning as required during event. (In recognition of energy conservation, a minimum level of comfort will be maintained until two hours before event commencement).
- Regular theatre-style seating arrangement (see enclosed seating diagram).
- Maximum stage configuration of 64' X 40'.
- 10 dressing rooms

Additional equipment and operator service costs shall be borne by the User. In addition, User shall be responsible for removal of bulk trash, crates, lumber, and packing materials prior to the event and following load-out. Any costs incurred by the Center for bulk trash not removed by User will result in additional charges at prevailing rates.

### **Stagehands**

The James L. Knight Center has an exclusive agreement with the Miami Stage Employees Local #500 of the International Alliance of Theatrical Stage Employees (IATSE) to provide all labor required for any production, performance, or exhibition. This includes conventions, trade shows, exhibitions, meetings, banquets, entertainment, sports activities and consumer shows held in the James L. Knight Center Theater. The charges for such services are not included in the facility rental fee and will be included as a cost to the User upon event settlement (see enclosed wage schedules).

### **Food Services, Catering, and Concessions**

All food, beverage and concession services are provided by the Hyatt Regency Miami Hotel Catering Department. *Backstage catering is at the discretion of the lessee.*

### **Merchandise and Novelty Item**

All merchandise and novelty services shall be made through prior arrangement with SMG.

### **Audio – Visual**

All Audio – Visual requirements shall be provided by the Center upon your request to the Director of Operations. Additional fees will apply.

### **Rate Schedule for Ticketed & Non – Ticketed Events**

The Center is owned by the City of Miami and operated by SMG under an Exclusive management agreement. Rental rates offered herein are established by ordinance from the City of Miami.

### **Origination Fee**

## **MIAMI CONVENTION CENTER**

### **General Information**

Utilizing both the Lobby and Ground Levels of the James L. Knight International Center, the Miami Convention Center is comprised of two primary and three secondary function areas; on the Lobby Level is the 28,000 square foot Riverfront Exhibition Hall which is dividable into North, Central, and South halls thus providing maximum flexibility for any exhibit, meeting, or banquet function; located outside each hall is a generous lobby area, which can be used for exhibition space, registration or reception activities; outdoors on the Terrace Level is the beautiful River walk area overlooking the Miami River and downtown skyline, a truly unique location for any outdoor activities, meals or an elegant reception; also located on the Terrace Level inside the facility are the Upper and Lower Riverfront Promenade areas as well as the Regency Corridor. These areas provide convenient, centralized locations for exhibition, hospitality and registration functions in conjunction with any event held at the James L. Knight International Center.
